INVITATION

QA (Regional) Networks Meeting

INQAAHE QA Network Liaison
Dr Tashmin Khamis, INQAAHE Board
February 2018

QA Networks

- ❖ QA networks are associations of organisations, either professional or regional, of quality assurance practitioners in higher education like organisations responsible for assuring the academic quality of post-secondary institutions or education programs.
- ❖ QA networks recognize their mutual interest in the quality of higher education and higher education institutions formalising a Memorandum of Understanding (MoU) with INQAAHE to establish the objectives, parameters and resourcing of joint activities and mutual support.

QA Networks

- ❖ QA networks will be granted the same benefits as members in terms of registering a representative(s) for INQAAHE event, being able to receive and contribute to the Bulletin or applying for funding for research. QA networks may participate in the General Assembly, but without the right to vote.
- ❖ As partners of INQAAHE, annual subscription fee is not required for QA Networks.

15 QA Networks

Purpose of the QA Networks meeting

- ❖ INQAAHE is committed to develop solid relationships with QA Networks
- ❖ To explore initiatives that would strengthen our relationships with global peer organisations
- ❖ To share lessons and work in enhancing QA in Higher Education globally
- ❖ As partners, to identify areas of synergy with INQAAHE in IQA and EQA work.
